TEFE A+ OBJECTIVES

1. Implement the TEFE Framework within the consortium's TEFL/TESOL study programmes
2. Make ITP exchanges fully functioning and sustainable components of teacher education, directly supporting the employability of English teacher graduates
3. Analyse and evaluate data collected during the TEFE A+ ITP programme and disseminate these together with the TEFE Framework to other educational partners, teacher associations and educational boards, government, and policy departments.

IST01 OBJECTIVES

1. To integrate new partners into the TEFE Consortium
2. To experience local schools and observe lessons by Faculty of Arts (Comenius) mentor teachers, as well as integrate their experience into TEFE A+
3. To clarify each partner's role(s) and responsibilities in the project (Work Packages 1-5)
4. To create practical, collaborative partnerships within the Consortium in order to achieve the project's objectives
5. To plan a feasible timeline and concrete steps for each Work Package & members of the Consortium
